NOTE: Once your form and payment are received, you will get an e-mail confirming your membership along with instructions for submitting a mosaic image and other information for the Gallery page on www.coloradomosaics.org website.

ALSO: CMA uses a Yahoo Group listserv for all communications within the CMA membership. Yahoo allows each member to communicate with the rest of the group as a whole - as we explore meeting topics, exhibit ideas and more! Our growing membership changes frequently and this is the best way to keep in touch with everyone at the same time, and keep all the email addresses current. You will need to create a Yahoo ID to join in, but you can set those emails to go to an email account of your choosing as individual messages or a daily digest. Join CMA on Yahoo here: <http://groups.yahoo.com/group/ColoradoMosaics/> You will be approved when your dues are received.

CMA is a collaborative effort and we invite your participation in this group. Please check any areas in which you would be willing to volunteer and share your skills.
